Eco passport

12.5T8/COR/48-835/FF17/G/DIM 25/1 T8

FlexFit (Hybrid / dual-mode) T8 LED Lamps by Philips. These lamps work as either a plug-and-play (UL Type A) or ballast bypass (UL Type B) lamp. As a Type A lamp, it is compatible with a variety of ballasts. If a ballast is not desired or fails in the field, the lamp can quickly be installed as a double-ended ballast bypass lamp.

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process, we innovate to reduce our environmental impact by taking climate action and by focusing on circularity and bring wider benefits to the world we operate in via social aspects as food availability, health & wellbeing, and safety & security.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.
