Eco passport

14T8/LED/48-5CCT/MF18/G/DS 1/10 T8

Philips MainsFit (Type B) color selectable TLED allows a switch between 5 different CCTs from 3000K to 6500K with the flick of a switch. In addition, the ballast bypass lamp has superior color consistency and accuracy across all five CCTs for a uniform lighting effect.

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process, we innovate to reduce our environmental impact by taking climate action and by focusing on circularity and bring wider benefits to the world we operate in via social aspects as food availability, health & wellbeing, and safety & security.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.
